

Supporting the health and safety  
of employees during COVID-19

A comprehensive solution providing  
**Strategic Actions For Employers (SAFE)**  
to take while rebuilding trust and loyalty  
from employees and customers.  
With **SAFE** you can:

**Utilize** best practices to create a safe work  
environment that complies with social  
distancing guidelines

**Screen** your workforce cost-effectively for  
COVID-19 and COVID-19 immunity

**Provide** mental and emotional health resources  
to your workforce to improve productivity.

**Communicate** and educate your workforce as  
new information becomes available.

**STARTING AT**  
**\$2.00/m\***  
per employee

*\*or \$20 upfront annual payment. Does not include unit cost of test.*

## PROGRAM OVERVIEW

### ✓ TEST AND TRACE

Provide pre-paid digital payment cards to your employees for FDA-authorized COVID-19 testing, and enable HR to track test results and workforce immunity using real time dashboards.

### ✓ SAFETY CULTURE

A turnkey executive and HR management playbook for new social standards while at work, along with step-by-step policies for reopening safely.

### ✓ WORKPLACE WELLBEING

Increase productivity by helping employees manage COVID-related anxiety, including family stress, worksite concerns and financial hardship.

### ✓ CONTINUING COMMUNICATIONS

Ongoing COVID-19 informational videos that will keep employees informed without causing undue stress.
